

## All about Landings (Tricycle and Tail wheel)

This discussion will briefly cover the air work related to landings and then move on to the aerodynamics, procedures, and disciplines that result in safe, well executed landings for both tricycle and conventional geared airplanes. Coffee and donuts at 9:00 AM and class start at 9:30.

**Directions:** Randal Rd. North to Pyott Rd then right on Pyott to the Lake in the Hills Airport exit. Right at the exit, then right at the stop sign, then left at Blue Skies flying Service.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
